Every experience in my life has prepared me to serve as Laguna Beach's City Clerk. After graduating from college, I served as a Captain in the Air Force and, once I found Laguna, worked for the City for ten years. City Clerk is a vital position that exists to help you. I have the experience, talents, and independence necessary for immediate effectiveness.

Working, volunteering, walking, and biking in our City, together with living in North Laguna, the Village, and South Laguna, have deepened my love for this town. I have extensive knowledge of Planning Commission, Design Review Board, and City Council operations. I understand the local issues and I respect the many viewpoints our residents express. I will utilize my expertise to streamline and bring efficiency to the City Clerk's office, to provide the accurate and current information that you need.

With my years of experience as a City employee and notary public, I understand the City Clerk's role. I am supported by the two previous City Clerks, providing nearly 40 years of valuable experience in this role.
